I, the undersigned certify that:

- 1) The salmonid products in this consignment were processed in the following approved country/ies only:
.....
- 2) The salmonid products have been processed to the extent listed below (head, gill and viscera must be removed and the internal and external surfaces thoroughly washed in any approved processing country prior to final export to Australia):
.....
.....
.....
- 3) The salmonid fish were processed in premises subject to regular inspection and audit under the supervision of the competent authority to ensure that processing practices and quality control systems are in place. The name and registration number of all processing facilities are listed below:
.....
.....
.....
- 4) The final salmonid products for export to Australia have been processed from raw salmonid materials imported exclusively from countries approved by Australia and were subject to effective separation controls to ensure the prevention of inadvertent or deliberate substitution, and the prevention of comingling with, or contamination by, aquatic animal material originating in countries other than those approved.

- 5) Movement of final salmonid products intended for export to Australia have been effectively tracked through all stages of processing.
- 6) The salmonid products must be packaged individually, in plastic sleeves, pouches or other packaging, or as loose pieces in cartons of any weight, and is:
 - a) in a consumer ready formⁱ; or
 - b) not in a consumer ready form
